IMAGE COMPETITION RULES

This competition is a photographic competition where entries are evaluated against a standard of excellence using the **12 Elements of a Merit Image**. (For more information, go to www.ppa.com/competitions/international.php. These rules pertain to images created by traditional photographic processes as well as those captured and/or manipulated electronically.

ELIGIBILITY

1. Entrant must have captured and created the original exposure.
2. Any entry that has been reproduced from an existing photograph, portrait, graphic or any other artwork produced by another person is a violation of the competition rules and will not be judged, accepted or displayed. If an entry, in the good faith opinion of the Photographic Exhibition Committee, violates copyright, trademark or any other applicable law, that entry shall be disqualified.
3. The entrant's name must not be visible on the entry, or in the file title.
4. A maximum of **six** entries may be submitted, plus physical prints for "Masters Choice" and "Creative Theme", per entrant.
5. Image print cases must be pre-registered and pre-paid online. They may be hand delivered or shipped (subject to PPAM Rules) on or before deadline.
6. No entry will be eligible if it has been made under the supervision of an instructor or as a class assignment (workshop or seminar).
7. No two entries from one maker may be of the same subject.
8. Entries previously merited at any PPA International Competition are not eligible, including any image from a merited album.
9. Entry media includes prints, digital submissions, physical albums and digital albums.
10. If an image is awarded an 80 or above score in any category of PPAM competition, it may not be entered to PPAM again in any other category, at any time by any entrant. No image that receives a merit may be entered more than once under any condition.

PHOTOGRAPHIC IMAGE CATEGORIES

You must designate one of the below categories for each entry:

- **Portrait:** Photographs depicting people or pets are allowed in this category. **Only** Wedding-type images of brides or pictures depicting weddings or other social events but not created during an event. (IE: Pre Bridal, Post Bridal Portrait or other images photographed outside of the consecutive event coverage).
- **Illustrative:** Consists of scenic, commercial, still life and similar subject matter. (Portraits and weddings are not appropriate for this category.)
- **Wedding/Event:** All photographs created during a wedding or social events **MUST** be entered in the Wedding/Event category. (Do not enter albums in this category.)
- **Conceptual Imaging/Digitally Manipulated:** (formerly known as EI: Electronic Imaging). This redefined category is judged with emphasis in the creative use of manipulation through any means of imaging. It is not intended to be merely images that have been retouched, enhanced or printed digitally, but allowing the creative process to create images that break the rules and go beyond traditional print competition criteria.
- **Album:** Any wedding, social event or portrait session album is to be entered in this category. They must be designated as created by one or multiple photographers. Each photographer must be listed on entry label and is considered an entry for each photographer. All albums will be judged and scored in this category. More than one album may be entered per entrant. Only one Court of Honor will be awarded to either single or multi-maker albums.

SUBMISSION OPTIONS

Entrants may submit either prints (photographic or press printed images presented for judging under lights) or digital submissions (digital files presented for judging on a monitor), or a combination of either entry type. **Competition prints are typically printed 10-15% darker than regular prints so that lighter areas do not wash-out under the bright lights (f/16, 1 second, ISO100). You can ask your lab to do this for you, by choosing "Print for Competition Density". **You do **not** need to do this for Digital Entries, or for Creative Theme or Masters' Choice print entries).

Print Submission

1. Entrants may submit printed images of any shape and size on a mount board a minimum of 80 square inches to a maximum of 480 square inches, with the largest dimension no longer than 24 inches. (Recommended mounting thickness is 1/8" to 3/8".)
2. Print entries must be mounted on standard mount material (double weight mat board, gator board, 1/4" foam, or Sintra). "Float" mounting is accepted at the entrant's risk for damage. Images on metal and mounted to another standard material must have rounded corners and smooth edges. **No mount that could potentially damage other entries or pose a danger to print handlers will be accepted.** Masonite, glass, stretcher frames or conventional frames will **not** be accepted.

Digital Submission

- Files must be sized so the longest dimension is 4,000 pixels (20 inches at 200 ppi). Total file size should not exceed 7.5 MB.
- Each file must contain an embedded color profile of either sRGB or Adobe RGB1998 and be saved at a JPEG quality setting of 10.
- Name files: **Image_Title.jpg** (use _ for spaces), i.e. "See_Spot_Run.jpg" Do NOT put the maker's name in the title.
- For more information: See digital entry tutorial at http://www.ppa.com/IPC_tutorials.

Album Entries

- Album entries may be submitted in the form of a physical album (an album printed and bound as a book for judging under lights), or a digital album (a set of digital files to be judged as sequential layouts on monitors). You must designate either "**digital**" or "**print**" for each entry: **Note:** *Multi- maker and single-maker albums will be judged as one category.*
- **Physical (Print) Album Entry:**
Album covers must be between 63- 400 square inches. No multiple volume albums are allowed. Any studio identification or entrant's name in the traditional album must be covered.
- **Digital Album Entry:**
All page/spread files must have the longest file dimension at 4,000 pixels (20 inches at 200 ppi), have an embedded color profile of either sRGB or Adobe RGB1998 and be saved at a JPEG quality setting of 10.
Each page/spread file may contain as many images as you desire. An entry may contain up to 36 page/spread files.
Files are to be numbered in viewing order using two digits (i.e., 01.jpg, 02.jpg, 03.jpg, etc.).
All individual files must be placed in a folder named: Album_Title (use _ for spaces, e.g., Summer_Wedding).
Studio identification or entrant's name cannot appear on any file within the album entry.
For more information: See digital entry tutorial at http://www.ppa.com/IPC_tutorials.
- **Multi-Maker Album Entry:**
The makers of a multi-maker album MUST belong to the same state (MA) to be eligible for an award. Images in the album must be the work of the entrants, *with a minimum of 20 images per entrant*. Multi-maker albums will be judged as one entry and receive one award if it qualifies.
